

ANGELS “Evil Angels”

“Satan cannot be everywhere at the same time; his actual presence, like his power, is limited. Yet, through all the evil subordinates under his control and mastery, he can fulfill his base designs. Thoroughly imbued with his spirit, roaming hordes of demons act as he would.”

“All the Angels in the Bible” Herbert Lockyer. P. 59

“All angels were created perfect, as was Lucifer. In Satan’s original rebellion, he drew with him a great number of lesser angels, perhaps a third of all created (Rev. 12:4). So we read of “the devil and his angels” (Mathew 25:41).

“The popularity of the occult is bringing more participants out into the open. It is not only more acceptable today; but it works, and it gives meaning and power to a person’s life. In the U.S., there are forty-seven colleges or universities that offer accredited undergraduate degrees in New Age studies (five in Canada). . .Secular bookstores feature whole sections on the New Age and the occult. Publishing firms are raking in millions of dollars yearly through occult-oriented books.

“As Christians, what should our reaction be to the invasion of the occult and increase in the demonic? We must know the truth about the occult and the spirit world to combat erroneous and increasingly popular views. We must recognize the titanic struggle carried on every day between forces of darkness and forces of light.

“We need to be confident of the truth and life we have in Christ and His Word. . . .In turning to the Bible, we look at the only trustworthy source of God’s truth about Himself, man, and the spirit world. It is totally inspired by God; excels man’s experience, research, and reason, and discloses what man cannot know about God’s truth if left to his own resources.”
