

## REVELATION "Judgment"

Revelation 14:14 – 15:8

"In our generation we have lost sight of the holiness of God. We have forgotten His justice, His righteousness. Throughout recorded history God has been expressing His loving-kindness and extending His mercy and grace to mankind. Even during the Tribulation, He shows again and again that His heart is to be reconciled with all He has created.

In the end, those who are judged are the people who have stubbornly, utterly refused Him. They have made it clear that **they do not want His forgiveness**. They do not want mercy or grace, even when it is offered to them. And so, finally, He takes them at their word."

"God is allowing the seeds of sin to grow and produce a harvest. One day, the world will reap what it has sown. John also uses the grape harvest to illustrate the coming judgment. The "vine of the earth" is ripening, and one day God will apply the sickle. Meanwhile, the branches in the True Vine (John 15:1-8) should be bearing more and more fruit."

"The seven angels emerge from the heavenly temple because their work is holy as are the judgments they bring. The angels clothing reminds us of the priestly garments, for their service is a divine ministry. . .now the heavenly temple is filled with smoke, evidence of God's glory and power. Each of the angels has a specific target for the contents of his vial. The earth-dwellers have already suffered from the seal and trumpet judgments, but this final series of judgments will climax God's plan, leading to Babylon's fall and Jesus Christ's return to earth."
